## **TRAINING REPORT FOR TWENTY (20) PERSONS WITH DISABILITY IN TAILORING IN THE MUNICIPALITY**

A training workshop was organized for Thirty-Six (36) Persons with Disability (PWDs) in the Municipality in tailoring on 4<sup>th</sup> August, 2022. It was organized by the Nanumba North Municipal Assembly with support from the Disability Common Fund.

Participants were taken through;

1. The procedures or steps in tailoring
2. The different types of designs
3. Measurements and
4. The benefits in tailoring as a profession

The breakdown of PWDs who participated in the training workshop were;

Twenty (20) females and Sixteen (16) males.

Again, participants were taking through the importance of the disability common fund and how to access it. This will help them to establish themselves and support their families to be financially sustainable and independent.

In addition, participants were taking through the roles and responsibilities of the Disability Fund Management Committee.

### **CHALLENGES**

The Department is confronted with numerous challenges that impede the smooth running of its programmes and activities.

Some of these are:

- **INADEQUATE FUNDS** to carry out the numerous mandatory programmes and activities of the department.
- **LOGISTICAL CONSTRAINTS** to reach out to the remote and hard-to-reach communities that need the services of the Department most.
